

## **ADVANCED COURSE**

23-28 June 2019

Royal Holloway, University of London  
Egham, Surrey

The Advanced Course has been designed and structured to update members on current trade practices and regulations, as well as introducing a number of specialist managerial subjects, case studies and group work. It is aimed at those with at least three years experience in the trade and is exceptional value for money at only £1,200 to members and £1,500 to non-members (VAT is charged to UK companies only), which includes instruction, accommodation and meals.

~ ~ ~ ~ ~

### **FOSFA Contracts and Contract Referred Documents**

Including an update on contractual changes.

### **Shipping Matters**

Including shipping, commodity risk management and maritime issues.

### **Technical Matters**

Consideration of a range of technical subjects such as commodity sampling, contractual analysis and compliance requirements.

### **FOSFA Arbitration Services**

Including the FOSFA Arbitration Rules and Procedures, as well as consideration of arbitration disputes as group case studies.

~ ~ ~ ~ ~

We are pleased to announce that -

### **Mr David Mielke (Oil World)**

will address the Fundamentals of the Oils, Meal, Seeds and Biofuel Markets.

### **Mr Darren Wall (Hill Dickinson LLP)**

Will give a presentation on the application of English law to FOSFA terms.
